## **Dallas/Fort Worth-Based Lodestone People Consulting Catches National Spotlight with Inc. 5000 Honor**

***Lodestone People Consulting Ranks No. 872 on the 2025 Inc. 5000 List of America's Fastest-Growing Private Companies***

**With Three-Year Revenue Growth of 485 Percent, This Marks the Firm's First Appearance on the Prestigious List**

**DALLAS–FORT WORTH, August 12, 2025** – Lodestone People Consulting, a boutique human capital advisory firm headquartered in North Texas, has been named No. 872 on the 2025 Inc. 5000 list of the fastest-growing private companies in America. Founded by Dr. Sandy Fiaschetti, a Goldman Sachs 10,000 Small Businesses graduate, the firm has grown rapidly through a national network of expert partners and a steadfast focus on aligning leadership with value creation.

The Inc. 5000 list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—independent, entrepreneurial businesses. Past honorees include Microsoft, Meta, Chobani, Under Armour, and Patagonia.

“I founded Lodestone on key values of credibility, humility, no BS, and enjoying our work. Our teams delivers quality work consistently while espousing these values. That's earned us long-standing relationships, new opportunities, and now a spot on the Inc. 5000. This recognition wasn't the target; it's what happens when you work with purpose in not a job, but a calling.”

– Dr. Sandy Fiaschetti, Founder and Managing Partner

This year's Inc. 5000 honorees have demonstrated resilience and growth while navigating inflation, talent challenges, and economic headwinds. The top 500 companies had a median three-year growth rate of 1,552%, collectively adding more than 48,000 jobs to the U.S. economy.

Lodestone People Consulting primarily serves the private equity sector, specializing in executive assessment, leadership alignment, and talent strategy to accelerate performance and unlock value. Founded and led by Dr. Sandy Fiaschetti, the firm blends the science of industrial-organizational psychology with practical business insight to ensure the right leaders are in the right roles at pivotal moments. Lodestone's work spans pre-acquisition due diligence, post-acquisition integration, and ongoing leadership development, with its LEAD™ program and data-driven executive assessment methods delivering measurable improvements in team effectiveness, cultural alignment, and execution speed. The firm has guided portfolio companies through founder transitions, helped align stakeholders on value creation plans, and identified hidden performance drivers that directly impact investor returns. In 2025, Lodestone was also honored to be named to the **Dallas Business Journal's List of Women-Owned Businesses in North Texas**, recognizing both its sustained growth and its commitment to excellence in the field.

The **Inc. 5000 Conference & Gala** will be held October 22–24, 2025, in Phoenix, celebrating this year's honorees. For a complete list of winners and company profiles, visit [www.inc.com/inc5000](http://www.inc.com/inc5000).
